Because Bear liked to strut his stuff **everywhere**

and he didn't care who was in his way!

THE BIG TRIP

Alex Willmore

The Big Trip is a brilliantly funny tale about what can happen when you don't think of others and watch where you're going...

Bear thinks that he is the coolest guy in the forest. He loves to strut his stuff, he loves to do whatever he wants and he never worries about a thing! One day, Bear is strutting his stuff as usual in the forest, not minding where he is going, when he runs into Moose. Moose tries to help him realise that he should take care and mind others and where he is going, but he doesn't care – he does whatever he wants! Will Bear listen or is he about to learn the hard way that he's making a mistake?

Alex Willmore is an illustrator and designer from Northampton, England. He has produced illustrations for greetings cards and children's clothing as well as illustrating many children's books.

THE FIVE OF US

Quentin Blake

The Five of Us is a captivating tale of adventure, friendship and teamwork from one of Britain's best-loved illustrators, Quentin Blake.

Angie, Ollie, Simona, Mario and Eric are five fantastic friends, each of whom has an unusual ability. Disaster strikes on a day out to the countryside but, working together and combining their individual powers, the Fantastic Five save the day. Teeming with Quentin Blake's characteristic sense of fun and his exuberant illustrations, The Five of Us is a powerful, though subtle, reminder that the world is a better place when we can focus on what we can do, rather than what we can't.

Sir Quentin Blake is a British cartoonist, illustrator and writer. His illustrations and stories have delighted children and adults all around the world for more than fifty years.

THE EXTRAORDINARY GARDENER

Sam Boughton

Joe is a boy just like any other, but Joe loves to imagine. Joe lives in a pretty ordinary tower block, in a rather ordinary city. His world is rather grey, but he spends his time imagining a wonderful world filled with exotic plants and unusual animals. One day Joe decides to plant a seed on his balcony, he waits and waits but nothing happens! Joe gives up and goes back to his daily life, but one day when he least expects it he spots that the seed has turned into the most beautiful tree. Joe begins caring for the tree and growing lots of other plants on his balcony and soon everyone in the neighbourhood is getting involved.

A charming story about the importance of nature, teaching us that if we work hard enough our dreams really can come true!
