Religions

- GCSE religions: ZigZag will be providing a wide range of specification-specific resources for Christianity with Islam as a second religion. For the most popular specifications we will also be initially providing small activity packs for those teaching Catholicism, Judaism, Hinduism, Buddhism and Sikhism.
- GCSE topics: We plan to support all theme and text options for the four main GCSE specifications.
- A Level: We plan to support at least the Christianity, Ethics and Philosophy of Religion options.
- For optional topics/religions, resources will be separate, allowing teachers to buy only what they need.
- We are open and responsive to requests for other religions to be covered at GCSE or A Level; the more requests we get, the more likely we are to publish for your option. Submit requests at <http://zzed.uk/RS>

ZigZag resources are available as 'copy masters' or in editable format and come with a site licence, allowing you to pay once and copy as often as you need, or put on your server for multiple use.
